		<input type="checkbox"/> Alive <input type="checkbox"/> Dead <input type="checkbox"/> Injured	<input type="checkbox"/> Yes Old Ring No: _____									<input type="checkbox"/> F <input type="checkbox"/> M		

*Ringling and measurements are only for LICENCED RINGERS. Do not attempt to handle the birds during the brigades. The individuals will be processed by SOS team.*

<sup>1</sup> Example of form code: **São Miguel/Lagoa/KA/20-10.BC** or **São Jorge/Velas/DB/20-10.BP**. This code **HAS TO BE ON THE CARDBOARD BOX**, along with the Cory's code (identifying each individual).

<sup>2</sup> Código da penugem: **0** – none; **1** – only head; head + neck; only belly; **2** – head + belly **OR** neck + belly **3** – belly, head and back; **4** – belly, head, back and wings.

<sup>3</sup> Optional fields. We recommend any ringer to fill as many fields as possible, to respond to a current study on light pollution and cory's morphology.

For more information please email: [cagarro@azores.gov.pt](mailto:cagarro@azores.gov.pt) or phone **800 292 800**. This form should be kept by the Natural Island Parks and sent to the Regional Directorate for Maritime Policies.
